

CHAIRMAN'S REPORT

As our activities increase, new members are joining us and, at last month's Coffee Morning, our numbers reached 1000. It is lovely to have so many new recruits and, as u3a has a reputation for being friendly, I know that everyone will help to make them welcome.

Encouraging as the numbers are, they are still not as high as the pre-pandemic figure, so please continue to spread the word about TWu3a. If you would like some of our glossy publicity leaflets to leave at suitable venues, please let me know.

This edition of the Newsletter contains the first notice about our AGM which will be on Thursday 16th June. It will be held in the Camden Centre and will be followed by strawberries and cream instead of a talk, so we shall not be holding it as a hybrid meeting. Those of you who cannot attend in person will be able to vote by proxy – please do, every vote counts towards the quorum.

Our next monthly meeting, on Thursday 21st April will be in the Camden Centre. Provided the NHS does not later need the Hall on Thursdays, this will now be a permanent arrangement.

Stay safe and enjoy the spring weather – I hope by the time this reaches you, the cold spell will have passed!

The Queen's Green Canopy

TWu3a and the Soroptimists were at Southwood Road Recreation Ground, Rusthall planting trees with Kasia (in the hi-viz jacket) from the TW Borough Council Parks Dept. as part of the Queen's Jubilee celebrations and the Queen's Green Canopy Project.

The Amelia opens on April 28th

TWu3a and The Friends at the Amelia have been collaborating to raise funds for the conservation of the museum's Georgian Court Dress and we have it on good authority that it is in already in place and looks spectacular.

To help pay for the conservation work on the dress TWu3a has been selling copies of the **3 Little Books of Interesting Walks**. The booklets were originally compiled by u3a members and are recently updated.

You can look at the booklets and buy them (in sets of 3) for £13.50. They will be available at the monthly meeting (21st April, Camden Centre 2.30pm), the Trinity coffee morning (29th April 10.30am) and the New Members' Meeting (12th April 2.30pm) We prefer cash but will accept cheques and card!

Outings Coordinator

In March we went to Hughenden Manor, the house previously owned by Benjamin Disraeli. It was a lovely day and enjoyed by our members. A report and photos are below.

The April visit to Hatchlands Park is full. In May we will be visiting two beautiful gardens, Leonardslee and Nymans. At the time of writing we still have a few places available. Please see March's newsletter or contact me on jyoutings@gmail.com.

For June we have a lovely trip to Walmer Castle and then to Margate, where you can visit the Turner Contemporary or spend some time walking along the front and exploring the town. But whatever you choose, you can be sure of a very good day out. The application form is at the end of this newsletter.

[Joan Young](#)

Hughenden Manor

Well, weren't we in for a surprise? Lots of them.

Benjamin Disraeli moved into Hughenden Manor with his wife Mary Anne in 1848 and remained in the red brick Victorian manor until his death in 1881.

The house sits on a hill with magnificent views. Red Kites soared high above our heads and over the beautiful gardens.

Hughenden Manor just kept on surprising us. The house was full of them. There were so many things to see and Disraeli allowed us (not that he had any choice) into his inner sanctum, the house is full of interesting facts about his life. It was also well worth the short walk to where Disraeli was laid to rest next to his wife.

I am deliberately holding back information regarding our trip and those who were there will understand. We don't want to spoil the adventure for u3a members who haven't yet visited. You won't be disappointed.

We wandered freely. Guides on hand if needed. The café staff couldn't do enough to make us welcome. Carts to help navigate any obstacles. Everything and everyone was perfect. You'd have a job to find anything to moan about on this trip...

Oh... there is one thing, ...the snoring on the way home! Tee hee.

Happy Days.....

Sheila Casey

Groups Coordinator

We have two more group ideas to offer.

A **Zoom Armchair Travel** group will be starting in June, there is a group contact in place who will introduce the concept of Armchair Travel by sharing a short powerpoint presentation of one of their countries of interest. More details in next month's newsletter but if you wish to register your interest to receive a Zoom invitation please email the Groups Coordinator below.

A member has offered to run a short 6 week interest group course entitled: **'46 Years on from 1945' (to encompass the main developments in East/West relations between the end of WW2 and the demise of the Soviet Union in 1991)** It would not focus on the most recent developments, though these would obviously be discussed as appropriate.

Since this short course will be run from the group contact's home on Mount Ephraim numbers will be limited. Please email the Groups' Coordinator to register your interest.

More details in next month's newsletter. [Lindsay Hasell](#), Groups Coordinator

Out & About 2 A select group of 5 of us had a lovely time at Hever Castle. There was an interesting Anne Boleyn exhibition.

The Amblers had a beautiful day for their walk to Nutley Windmill

Celia Claxton

London Explorers 4 followed a very interesting Charles Dickens walk highlighting many places he mentions in his books. Stopping at the Betsey Trotwood pub for an enjoyable lunch and finishing up at 48 Doughty Street, the home of the Dickens family. Well worth a visit.

Suzette Elliott West

The Bee Walkers had their first count this month. The weather was perfect and they spotted 3 queen buff-tails, 2 queen red-tails, 3

unidentified bumblebees in flight, 1 white/buff tailed worker. They also spotted 2 peacock butterflies, a brimstone, a comma, a few honeybees and a bee fly.

London Explorers 2 went to Ditchling to see the Vera Lynn Exhibition.

Vera Lynn was not only a popular singer, known for entertaining the forces in WW2, but also an artist. Some of her work was on display along with dresses and photos from her long career, all on loan from her family.

Unfortunately her medals had been removed prior to the memorial service for her on March 21st.

Group News

FOCUS ON....Revived and New Groups

The **Photo Club** group is a 'revived' group of keen photographers who have recently started to use their group page to share their interesting photos. Please take a moment to explore the tunbridgewellsu3a.org website as it is one of our public faces! It is well worth a visit this month as the **Photo Club** has included their very varied interpretations of views of Sissinghurst Castle.

Are you interesting in learning how to play **Lawn Bowls**, **Indoor Bowls** or **Croquet**? As we move into Springtime these groups are keen to encourage new TWu3a members to try them out. Details are on the website or from the Groups Coordinator.

Start-up meetings for new groups have recently been held for the **Classical Music Appreciation** group (already full), the **Good Vibrations** group and **MOTO2**.

It was agreed at the start-up meeting of **MOTO2** that they would go out for lunch after the April coffee morning on Friday 29th. Interested? You are welcome to join them for lunch.

The **Cribbage** and **Country Dancing** groups would like to start up again. New members needed! Please email [Lindsay Hasell](mailto:Lindsay.Hasell@tunbridgewellsu3a.org), Groups Coordinator, for more information.

The Photo Club finally escaped Covid restrictions and visited Sissinghurst Castle and Gardens on 18th March. What a super day it was: brilliantly sunny and not a cloud anywhere. Just the sort of day a photographer hates.

Obviously, lots of photos were taken, but to avoid unfavourable comparison with other u3a groups who visit such places and take lovely photos, we added a few challenges (Red, Abstract, Patterns, B&W) to stretch ourselves a bit, although the photo of a red watering can is probably taking it too far. Hopefully, the editor can include one of our challenge photos.

Just as some were getting ready to leave, we realised we had not taken a group photo. Being rushed and aware of passing people, we quickly took our shots and only noticed when we got home that we should have used fill flash! Ah well—we can only get better.

Over lunch, everyone confirmed their enjoyment and decided our next visit should be Hastings on 22nd April. New members or those just thinking about joining us would be most welcome.

The Tea Team try out another of the Little Books of Interesting Walks

It was a very windy, cold but bright afternoon as the u3a tea team embarked on their latest walk. Meeting at the far end of the High Street, we explored Mount Sion, Little Mount Sion, Frog Lane and several other roads and twittens in the area, places not usually seen, being hidden from the High Street.

There is such a variety of houses, mostly Victorian, but some dating back as far as 1686. There is a cottage on Mount Sion that was used for fell-mongering, a process of preparing sheepskins for fine leather gloves.

At the top of the charmingly cobbled Frog Lane, there is Frog Cottage, whose owner has a wonderful sense of humour. There are frogs 'leaping' out from several unexpected places!

We saw Miles Garage built on the site of an old coaching inn, fell-monger cottages and the lovely 19C Eden Villa, formerly the home of the vicar of King Charles' Church.

We made our way back to the High Street and over to Eggs Eleven, a small and friendly cafe on The Pantiles for a very welcome hot drink.

Bingo at the Indoor Bowls Club

The very first u3a Bingo afternoon turned out to be great fun. Once we had all got to grips with the Bingo lingo, it was heads down for some serious concentration. There was tea and plenty of cake to keep everyone sustained for the second half.

Many thanks to the Bowls Club for their hospitality and advice.

Last Month's Talk

Pat Bryer A Woman of a certain Age

You may remember Pat from one of her previous visits. Last time she amused us with her Joyce Grenfell performance. This time it was renditions of comic poetry and sketches from an illustrious list of writers and performers. The 'certain' age changed as we advanced in years...starting with A A Milne's *When I was One*. Tracey and Nicola were Victoria Wood's recalcitrant teenagers. Then we heard Roald Dahl's monologue - A hand in the bird. 'I am a maiden who is forty, And a maiden I shall stay.'

Jenny Joseph's *When I grow old I shall wear purple* about growing old disgracefully is a classic. Pam Ayres was, of course, included. *Accepting the Inevitable Decline* was first performed on Countdown in 2018 (and can be seen again on youtube) about coming to terms with how you really look as you age. Pat finished her performance with a 10 minute playlet (accompanied by her husband) about an older couple rubbing along in their own familiar way.

An entertaining and enjoyable afternoon and all performed admirably without a microphone.
