

THE UNIVERSITY OF THE THIRD AGE

Sevenoaks U3A Science Group Seminar 2019

“Forensics: The Expert Witnesses”

Wednesday 5th June 2019 @ 9:45am

Orchards Events Venue, East Malling Research, New Road, East Malling, ME19 6BH.

Forensic evidence is essential in supporting the criminal justice system. The major areas of criminal activity that are of public concern are Drug misuse/abuse, Gun Crime and DNA analysis. We have invited four speakers, all expert in their respective fields, who will present the real facts and examples of the work they undertake in the following programme:

Table with 4 columns: Time, Topic, Speaker, and Affiliation. Rows include Registration & Coffee/Tea, Seminar Welcome, Overview, Forensic Firearms Examination, The Power of DNA, 'Adam' torso, and Lunch (Optional).

This Seminar is open to all U3A members. An optional buffet lunch will be available.

Applications by 15th May to: U3A Science Group, c/o D Lowe, 22 Granville Road, Sevenoaks, TN13 1EY. scienceday@sevenoaksu3a.org.uk

*** Book early to avoid disappointment - Numbers are limited ***
